Company Profile

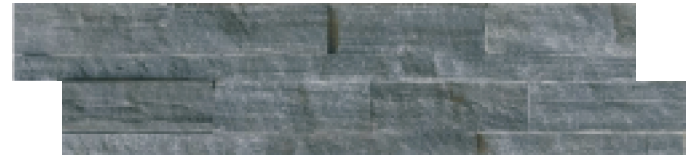

Jagson India Presents a new business philosophy in the ornamental stone sector, highlighting its stone concern with the environment and sustainability. To combine the constant search for excellence with the development of innovative processes is the premise that has guided Jagson India in the last 23 years of existence, as well as to provide the best relationship between raw material's quality and price, quantity and size.

We also offer a large range of Natural Stone in flooring, paving in large and small patterns. In addition to this, we have a fantastic selection of Cultured Stones, Tumbled Stones, Mosaic Stones, Lime Stones, Quartzites Stones, Sand Stones etc. with individual effects you may wish to create.

Jagson India is a strongly export company looking for new foreign market, but never neglecting the national market, promoting and encouraging strategic partnerships with other companies in India
