About Jagson India

A Leading Global Stone Export Agency

JAGSON INDIA is an Indian company specializing in the fabrication of very premium quality Natural stone products with a proud owner of stone quarries since 1998.

Our main office is located in Rewari (Haryana) and administration office in Gurgaon (Haryana), which are located in the centre of heart of India. Our mainly products are Slate, Sandstone, Limestone, Granite and Marble. We are the major manufacturers and exports of tiles, claddings, slabs and veneer in all standards and customize sizes, thicknesses and surface finish (flamed, brushed, polished and tumbled etc.) for various purposes. We can supply non-standard sizes and thicknesses as per our customer's requirements.

We not only supply the material to our buyer but also provide full logistic solutions on a very competitive price.

Our strength is our presence in India and across the globe.

100% Premium Products

We source our products from the best Indian quarries. When you buy natural stone from us, you are assured of nothing but the best.

Competitive Pricing

With over 20+ years of experience in the industry, we have an extensive network of contacts in the Indian stone industry, helping us provide the most competitive prices on the market.

Awesome Range

We provide our customers with an extensive range of products. Whatever be your interior style and theme, you can find the best solution right here.

Quick & Intact Delivery

No waiting for your products. Here, at Jagson India Stones, we have a vast network of distributors and shipping partners, helping us deliver your products, as quickly as possible.

Unparalleled Customer Support

Our in-house team of expert - architects, engineers, and interior designers - works with you each step of the way, to make your visions come true.

Easy To Maintain

Limestone is naturally resistant to bacteria and mold, making it a suitable choice for outdoors, pool areas, patios, and bathrooms. Limestone doesn't get dirty and requires minimal maintenance.
